Madeline Island come over.

Madeleineisland.com 715-747-2881
Hike, Bike, Swim, Kayak, Relax, Canoe
Madeline Island is the largest of the 22 Apostle Islands. The Island is 14 miles long and three miles wide with a year ‘round population of 200. LaPointe, established in 1834, is the only town on the Island. Madeline Island is accessible by ferry, private boat or plane. Regular car and passenger ferry service across the 2.5 miles of lake begins in early April with ice break-up and usually continues through the first week of January. During the winter, after freeze-up, cars travel back and forth between the Island and mainland on the “ice road.” At the start and end of the winter when the ice is not safe for cars, passage is by a propeller-driven windsled. Winter ice conditions vary with weather. It is advisable to call ahead for winter crossing conditions (715-747-5400). Madeline Island’s charm and natural beauty make it the perfect destination for those who want a true island getaway. Bask in the relaxing beauty of our long, sandy beaches, walk along beautiful wooded trails, browse our shops, picnic, bike, canoe, kayak or swim. Our two museums and downtown walking tour offer fascinating glimpses into the Island’s rich past. You can also enjoy a game of tennis or a round of golf. In addition, the area offers some of the best sailing and fishing to be found. Dining choices range from casual to gourmet cuisine. For overnight visitors, a wide variety of lodging is available including motels, B&Bs, condominiums, private cottages and homes, or camping under the stars at the Town or State Park. Both of the parks are located several miles from downtown LaPointe and require private transportation to reach. Madeline Island provides the true retreat and opportunity to “get away from it all” in any season.

DID YOU KNOW: 18 of the 22 Apostle Islands are located in Ashland County including Madeline Island.

This area is the gateway to two major national forests (Chequamegon and Nicolet) and Ashland County Forest. Located just north of Glidden is The Northern Continental Divide. Glidden is known as the Black Bear Capital of Wisconsin. A 1963 gun season record black bear weighing 665 lbs. at 10'7" long is on display downtown. Three Great Wall murals are dedicated to the men and women of the Glidden area who served their country in war and peace. Free camping is available at Marion Park near the Pavilion. Listed on the National Register of Historic Places, this unique Pavilion is host to numerous special events, including the Labor Day Weekend Glidden Community Fair - see Annual Events List.

Sanborn & Marengo
The small village of Sanborn is located 12 miles south of Ashland on Highway 112 or Sanborn Avenue. Marengo, located 12 miles south of Ashland on State Highway 13, is the home of the Annual Ashland County Fair celebrated each year at the fairgrounds in this community. Look for three murals that depict some of the early residents of Marengo, and the Historic Train Depot.

Marengo Depot Mural depicts the historic Marengo Train Depot (no longer standing) as well as four early Finnish settlers, and an early train coming into the station.

Clam Lake
The central location in the Heart of the Chequamegon-Nicolet National Forest makes Clam Lake well-situated for year-round enjoyment of all the Forest has to offer. Fish the many lakes and streams in the area, golf some of the most scenic golf courses, ski some of Wisconsin's finest cross-country ski trails, mountain bike the miles of off-road track, snowmobile right from your front door onto well-groomed routes, or unwind while patiently waiting for a glimpse of a browsing elk. The Elk Capital of Wisconsin - in 1995, 25 elk were reintroduced into the Chequamegon-Nicolet National Forest in Clam Lake. There are approximately 165 elk in the Clam Lake Herd. Best viewing times are at dawn or dusk. The most popular viewing period is September and October during the mating season when the elk are often feeding in the open. www.clamlakewi.com

Sample Itineraries

Make the most of your visit to Ashland County with these sample travel itineraries!

A day’s respite in Butternut

Discover how the locals appreciate Ashland County.

Day 1: Located just two miles north of Mellen, Copper Falls State Park is the main attraction for the Mellen area. There are two waterfalls in the park, Copper and Brownstone, both situated on the Bad River. The park’s natural attractions also include canyons, deep gorges, streams and a swimming beach. Visitors will enjoy the picnic area with a log shelter, miles of self-guided trails, and family campground. In addition, walk-in and backpack campsites are available.

Day 2: Enjoy the other waterfalls in the area, Potato River Falls and Wren Falls, all within 30 minutes of Mellen. The Penokee Mountain Overlook is located two miles from Mellen on County GG. The interpretive wayside exhibits unfold the colorful history of this ancient mountain range. All these places are definitely worth stopping to see. They are perfect places to enjoy the glorious fall colors and the vibrant green hues of summer.

A weekend escape to Glidden

Arrive around 5 pm on Friday - Check in to your cabin at Timber Lodge on Gordon Lake. Go to Glidd Inn or Bootleggers for a fish fry and play pool. Make a stop at the VFW Post on Friday night and try your luck with the 50/50 Raffle Drawing. Doors open to the public at 6 pm. Drawing is held at 8 pm. Head back to the cabin and the quiet of the woods and water. Saturday: Enjoy fresh, homemade bakery and breads from the Black Bear Bakery, or have a quick breakfast at Cubby’s Cafe at the Bear Crossing. Pick up some bait for a morning of fishing on Gordon Lake. Enjoy a beach picnic or swim or stop by Roxy’s Bar & Grill for a sandwich and directions on where to see elk in the Chequamegon-Nicolet National Forest. Discover the ATV or hiking trails of the Forest as well as critter tracks. Bedtime at the cabin comes early after an active day. Sunday: Quiet reading and coffee on the cabin porch as the sun comes up through the woods. Too soon it’s time to pack up and leave. Stop at Bear Necessities for snacks for yourself and for the wildlife. Drive around the village and view the murals painted by a local artist. Stop at the Village Hall for a road map of the Chequamegon-Nicolet National Forest where you will have the opportunity to see a wide variety of wildlife on the move. Check out the campsites and plan for a longer stay the next time you want to take a really relaxing vacation.

An idyllic 3-day trip to Madeline Island

Day 1: Rise early to view the gorgeous sunrise and eat a fulfilling breakfast from any of the wonderful restaurants in Ashland. Grab a sack lunch and head to the southern part of Ashland County where you can hike Copper Falls State Park or just reopened Morgan Falls and St. Peters Dome. Make your way back to Ashland and stop at the Northern Great Lakes Visitor Center on Hwy. 2. Check out their exhibits, five-story observation tower and boardwalk trails behind the center. Order a pizza from one of Ashland’s wonderful local pizza parlors and pick a spot by Lake Superior to enjoy. Day 2: Start the day with an energizing breakfast at a local café. Then head out to kayak or paddle Chequamegon Bay over by Long Bridge (rentals available in Ashland). Glide under the U.S. Hwy. 2 overpass and through the estuary area on the south side of the highway. Grab a bite to eat at one of Ashland’s unique dining establishments and then take a self-guided Mural Tour while you check out Ashland’s historic downtown characterized by its extraordinary brownstone buildings. As you browse the many gift, clothing, sporting and specialty shops, take the time to view the distinct architectural styles displayed. For dinner, relax on an outdoor patio with a great meal and view of the sunset overlooking Chequamegon Bay. Day 3: Wake up, grab a hearty breakfast, and bike the scenic 10-mile-plus loop trail around the lakefront in Ashland and back through town along the 5th Street Corridor (bike rentals available in Ashland). Stop at the artisan well in Prentice Park to fill your water bottle with cold, clear spring water. After a dinner of Lake Superior whitefish, take in a movie or play. And again don’t miss the beautiful Chequamegon Bay Sunsets. You can never get too much of that!
